### **PUBLIC HEARING NOTICE**

The City of Dougherty will be holding a Public Hearing to review an application for a State Revolving Fund (SRF) loan and to make available to the public the contents of an environmental information document and the City's project plan. These documents include design and environmental information related to the proposed improvements to the City's wastewater infrastructure.

The proposed project is a low pressure collection (STEP) system throughout the City and a new 3-cell controlled lagoon. The controlled discharge lagoon will consist of a 0.64 acre primary cell and two 0.10 acre secondary cells (surface area) with a new discharge line running along right of way on Zinnia Avenue south to a new outfall structure at Coldwater Creek.

The purpose of this Public Hearing is to inform area residents of the community of Dougherty of this proposed action, discuss the actual cost and user fees associated with this project, and to address citizen's concerns, if any, with the plan.

The Public Hearing location and time are as follows:

**DATE**-April 11 2021 **TIME** 6:00 P.M.

**LOCATION** Dougherty City Hall  
**ADDRESS** 81 East Patrick St.  
Dougherty, Iowa 50433

All interested persons and encouraged to attend this hearing. Written comments on this proposal may also be submitted prior to the hearing. Questions regarding this hearing or the availability of documentation may be directed to the **CONTACT** at **PHONE NUMBER** 641-430-5709 or 641-794-3335.
